

What has been our impact?

<p style="text-align: center;">Trinity Academy Halifax</p> <p>Trinity Academy Halifax (TAH) is the founding academy of the Trinity MAT. It is rated as outstanding by Ofsted, as well as being designated as a National Teaching School (leading the Trinity Teaching School Alliance) and a Maths Hub of Excellence (leading the West Yorkshire Maths Hub).</p> <p><i>“Students’ learning and progress over time from their different starting points are outstanding. This reflects the emphasis the academy’s leaders place on constantly developing teaching skills and checking performance in the classroom.” – Ofsted</i></p> <p>Its Progress 8 outcomes place it consistently in the top 5% of all schools nationally (+0.67 in 2017, +0.59 in 2018 and +0.60 in 2019). TAH was recently awarded ‘World Class Status.’</p>	<p style="text-align: center;">Cathedral Academy</p> <p>Cathedral Academy (CA) joined the Trinity MAT in March 2017, expanding the MAT into Wakefield.</p> <p>Since then, CA has achieved Progress 8 outcomes of +0.54 (2017) +0.73 (2018) and +0.75 (2019).</p> <p><i>“The school has benefitted enormously from its relationship with the Trinity Multi-Academy Trust. This has been central to improving teachers’ skills and improving leadership at all levels.” – Ofsted</i></p> <p>In June 2019, as a result of its transformation over recent years, CA was presented with the TES Secondary School of the Year Award.</p>
<p style="text-align: center;">Trinity Academy Sowerby Bridge</p> <p>Trinity Academy Sowerby Bridge (TASB) joined the Trinity MAT in October 2018.</p> <p>In its first year as part of the MAT, TASB improved its Progress 8 outcome by +0.91 (from -0.47 in 2017 to +0.44 in 2018). This performance comfortably placed TASB in the top 1% of most improved schools in the country.</p> <p>In 2019 Progress 8 again improved to +0.57 and the academy has become oversubscribed in Y7 for the first time in a decade. Moreover, AY2019-20 will see the introduction of a new admissions policy (incorporating fair banding – a MAT first), as well as potential religious designation.</p>	<p style="text-align: center;">Trinity 6th Form Academy</p> <p>Trinity Sixth Form Academy (TSFA) became the first addition to the Trinity MAT in October 2016 (at that time known as The Maltings College).</p> <p>From September 2019 it changed its curriculum offer to L3 academic courses, as well as its location (into Halifax town centre, as part of a multi-million pound refurbishment of the Northgate House complex).</p> <p>TSFA is Calderdale’s only specialist 6th Form. Its 2019 outcomes were exceptional (academic APS of 35.8 and VA of +0.21; AG APS of 40.3 and VA of +0.56), establishing it as the highest-performing post-16 provider in the authority.</p>
<p style="text-align: center;">Akroydon Primary Academy</p> <p>Akroydon Primary Academy (APA) was the first primary school to join the MAT in February 2017.</p> <p>In its first full year in the MAT, APA improved its headline measure (percentage of KS2 pupils achieving ARE in RWM), by 37% (from 25% to 62%).</p> <p>In 2019 it further improved this headline measure to 70%. This +45% increase made it the most improved primary school in Calderdale (out of more than 100) over this two year period.</p>	<p style="text-align: center;">St Chad’s Primary Academy</p> <p>St. Chad’s primary Academy (SCPA) is the latest institution to join the Trinity MAT. The priority of the MAT since then has been to add significant additional MAT capacity to both senior leadership and governance structures.</p> <p>Its three year headline data trend is 37% (2017), 73% (2018) and 77% (2019), which represents a +40% increase in two years (the second highest increase in Calderdale).</p>

This trend is replicated in other areas of the school also e.g. Reception and Key Stage 1 outcomes increased by 17% and 10% respectively.

Utilising expertise at APA, the school has implemented a new BfL Policy and is collaborating on further joint initiatives such as curriculum developments.
